Vinee Ajmera helps leaders and organizations unlock and maximize their potential while rediscovering their inner brilliance. She is a sought-after positive transformation and communication specialist who has been spotlighted on TEDx Talks and other coveted forums.

Vinee strives to bring her bold, challenging approach and energetic sense of fun to all of her speaking engagements, shows and workshops. She believes in turning ideas into reality; if only there was more time to implement them all. When she's not working up a storm, you can find her in her studio recording podcasts, regularly meeting industry leaders to gain leadership insights, and optimistically checking her mailbox for speaking and coaching engagements.

Vinee heads Personage as CEO and Chief Mentor and is passionately involved in creating and curating courses for her online platform [goleadthefuture.com](http://goleadthefuture.com). She is a voracious reader, avid traveller and fitness enthusiast. Her podcast Run2Vin has kept listeners hooked on to her interesting and motivating conversations, with her guests, on fitness and inspiration.
